Dear CoviKlear Holdings International LTD,

This letter shall serve as our letter of mandate and authorization from Advanced Clinical Solution a division of National Bio Green Sciences LLC to: CoviKlear Holdings International LTD., a London based company. and affiliates therein, a non-exclusive global sale for our Vaccine Neutralization Antibody Test Kits, and any additional products our company has. Therefore, we are granting and kindly provide you a written authorization for CoviKlear Holdings International LTD which will allow your company and affiliates to sell and represent our Vaccine Neutralizing Antibody Test Kits which can be used to detect post viral antibodies generated in the body post infection and or vaccination. Additionally, we are pleased to provide all product details, white papers, and technical data, public presentations, as such material is requested, and the approval to share such information with your clients.

We are submitting this mandate/authorization letter at our earliest, as we like to begin receiving your purchase orders. Thank you again for your interest.

Respectfully,

Advanced Clinical Solution

Nikolaos Renieris

CEO
