Dear Mr Ballout

Thank you for Your letter [redacted] cooperation between
Diplomatic Trade Ltd. and Ukraine.

Nowadays Ukraine undergoes an active process of industrial complex reforming. This
applies also to the strategic industries. Foreign private and public sectors support in the
process of modernization of domestic production facilities, as well as entering world
markets, in particular through the use of stock exchange instruments and attraction of
investment capital from abroad are very important for Ukraine.

Successful promotion of industrial reform in Ukraine, [redacted]
[redacted]

I want to assure you that the Ukrainian side is ready for a thorough and constructive
discussion of the issues of [redacted] cooperation with foreign investors.

Therefore, we are pleased to note that Your proposal, that envisages creation of
thousands of new workplaces in Ukraine, attraction of external investments and
technologies to our country, corresponds to the development program of Ukraine for
the coming years.

Sincerely,

Deputy Prime Minister,
Minister for Strategic Industries of Ukraine

Oleh URUSKY
